**Re: Alex Goldfarb v. Channel One Russia, et al., No: 18-CV-08128 (JPC)**

Dear Judge Cronan,

In accordance with the Court's order of July 18, 2023, ECF No. 152, the parties report that they have not received any communications from OFAC with respect to their application for a license permitting Channel One to secure, and U.S. providers to supply, Zoom or similar teleconferencing services for use at trial. According to the OFAC Check Application Status function, the license request remains "pending." (Attachment).

The parties will continue to monitor the status of the request and will keep the Court informed of any change in that status and/or communications they receive from OFAC.

Respectfully Submitted,

*David B. Rivkin*
